WCOG / ACG 2017

Sunday, October 15

Poster session: 3:30 – 7:00 pm

P545 - Management of Early-Stage Esophageal Adenocarcinoma by Cryoablation in the Setting of Portal Hypertension With Varices
E. Pillsbury, BS, W. Coyle, MD, FACG

P225 - Survival Effect of Palliative Cryoablation Therapy in Patients With Locally Advanced Esophageal Cancer
Z. Cui, MPH, Z. Hussain, MD, J. Ferreira, MD, D. Rahni, MD, S. Gordon, MD

Monday, October 16

Presidential Plenary Session 1: 7:50 – 9:00 am - Valencia Ballroom
Speaker 5 - 8:48 – 9:00 am
Effectiveness of Endoscopic Therapy in Patients With Barrett’s Esophagus (BE) With Early Cancer Is Comparable to That of BE With High-Grade Dysplasia (HGD):
Results From an International, Multi-center Consortium
R. Krishnamoorthi, MD, et al.

Poster Session: 10:30 - 4:00 pm

P1079 - Cryotherapy in Barrett’s Esophagus Refractory to Radiofrequency Ablation
K. Visrodia, MD, L. Zakko, MD, C. Leggett, MD, M. Johnson, CCRP,
P. Iyer, MD, MS, L. Lutzke, CCRP, K. Wang, MD, FACG
Tuesday, October 17

**Breakfast Session G**: Controversies in Barrett’s Esophagus  
6:45 – 8:15 am - Room W311E  
*Cut, Burn, Freeze: What is the Best Weapon for Dysplastic BE?*  
Presenter: Nicholas Shaheen, MD, MPH, FACG

**Poster session**: 10:30 am – 4:30 pm  
P1991 - *Esophageal Cryoablation Using Retrograde Gastrostomy Ventilation in a Patient With Pharyngoesophageal Stenosis*  
S. Solomon, MBBS, D. Kohli, MD, G. Smallfield, MD

**Symposium 4A**: Progress Against Esophageal Cancer  
5:00 – 6:15 pm - **Valencia BC**  
5:40 – 6:00 pm - *Progress in the Treatment of Squamous Esophageal Dysplasia and Early-stage Cancer*  
Presenter: Kenneth Wang MD, FACG

**In Booth Presentations**

**Sunday** – 4:30 – 5:00 pm  
*Impact of Liquid Nitrogen Endoscopic Spray Cryotherapy on Overall Survival in Metastatic Esophageal Cancer*  
Presenter: Toufic Kachaamy, MD

**Monday** – 4:00 – 4:30 pm  
*Cryospray Ablation: Cutting Edge Clinical Applications for the Extended Treatment of Barrett’s Esophagus and Adenocarcinoma*  
Presenter: Neil Sharma, MD

**Hands-on Endoscopy Workshop**

**Mucosal Ablation Station** - Exhibit Hall WB1 - Room 3  
Monday: 1:45 - 3:00 pm and 3:15 - 4:30 pm  
Tuesday: 10:30 - 11:45 am and 12:15 - 1:30 pm
